

STEPHANIE MICAH CAHUTAY

3rd Year College Student

ABOUT ME

As a dedicated third-year Bachelor of Science in Computer Science student with a strong interest in technology and programming, I am eager to apply my skills and knowledge in a dynamic professional environment. I am always seeking opportunities to learn new technologies and enhance my abilities. With a passion for computer science, I am excited to contribute my talents to a challenging role where I can continue to grow and make a positive impact.
